Re: William Bray and John Landor, in their individual capacities and on behalf of others similarly situated v. New York Gypsum Floors Inc., and Stephen P. Phillips, Case No. 7:21-cv-2340-CS (Fair Labor Standards Act action)
Discovery Dispute (Doc. Nos. 61, 63)

Dear Judge Seibel:

I represent the Defendants in the above referenced action.

I conferred with Plaintiffs' counsel yesterday. We agreed on a document production date and discussed the content of the Parties' document production. Document production is moving forward.

As a result, Plaintiffs and Defendants respectfully request the Court adjourn any discovery conference at this time without date. If there are any future issues regarding document production, then the Parties will bring them to the Court's attention at a later time.

Thank you for your assistance.

Very truly yours,

/s/ *Patience E Schermer*
